

# SPREAD EAGLE CHAIN O'LAKES ASSOCIATION, INC.

## 2020 - Didn't see that coming!

As I sit here watching the leaves fall and the rare ray of sun shining on golden, red, and auburn trees across the lake, I reflect on this year and the possibilities going forward. It began as any other year-great plans for accomplishment and mirth, goals to be achieved and good times to be had with friends and neighbors while sharing our extraordinary resource, The Spread Eagle Chain of Lakes.

While the soft blanket of snow was still heavy on the ground, COVID-19 was becoming an unseen menace and changing the plans of even the most organized among us. By early spring the mantra became "Stay Safe", while our local, state, and national leaders struggled with the growing Pandemic. Restrictions on indoor dining, businesses forced to close, and restrictions of gatherings of more than 50 changed to no more than just 10 people!

It was becoming clear that the early social events and our spring Board Meeting may need to be curtailed. The Spread Eagle Chain O'Lakes Association (SECOLA) Board began to cancel early events. The Men's and Women's Breakfasts, SECOLA dinners, and Ladies of the Lake became victims and we all learned the new meaning of Zoom! Soon most of our planned social events fell prey to the scourge.

But the business of SECOLA continued: the Stewardship of the Lakes, promotion of social interactions, celebrations of our shared heritage. Many of our activities involved "social distancing" as a necessary component. The Fourth of July Boat Parade and the Fireworks display the night before, in our tradition, were already "compliant" as we participated from our shores, docks, and boats. Monitoring of the lakes for invasive plants, with the diligence of White Water Associates and our own Jay Weber and Carl Sundberg, continues to hold the worst of the invaders at bay, harvesting just over 70 pound of Eurasian Watermilfoil (EWM) from North and Middle lakes. A far cry from the 376 lbs. of EWM in 2013! But, the good fight needed to continue and our funding, along with grants through the state of Wisconsin, provided over 250 hours of inspections and cleaning of boats entering our lakes including 92 boats on the 3<sup>rd</sup> of July alone! However, our continued success is only as good as our ability to fund the resources needed to fight these invaders! Thanks to all who gave so generously to our Invasive Species and General Fund in order to have the ability to continue to keep invasive species at bay. However, unlike COVID-19, which will, eventually run its course, invasive species will continue to challenge our lakes for years to come. Even one year with a lack of diligence can negatively impact our lakes for decades. Thanks to our dedicated members and volunteers to "keep on" with the fight through donations of time and treasure.

## MEMBERSHIP

**There are approximately 354 property owners on the Chain of Lakes. At the time of this publication, the association has 207 paid members (58%).**

**MONEY FROM MEMBERSHIP DUES ALONG WITH ADDITIONAL CONTRIBUTIONS HELP PAY FOR MONITORING & PULLING INVASIVE SPECIES, THE 4TH OF JULY FIREWORKS, STOCKING FISH, AND SOCIAL EVENTS SPONSORED BY THE ASSOCIATION.**

**PLEASE CONSIDER JOINING THIS WONDERFUL GROUP!**

**YOU CAN FIND A MEMBERSHIP FORM ON OUR WEBSITE :**

**[WWW.SPREADEAGLECHAIN.ORG](http://WWW.SPREADEAGLECHAIN.ORG), OR YOU CAN CONTACT BARB ROOK, LAKE REPS CHAIRPERSON, (717)-404-3345 OR E-MAIL [BARBARAROOK@COMCAST.NET](mailto:BARBARAROOK@COMCAST.NET) .**

**BARB WILL GET YOU IN TOUCH WITH YOUR LAKE'S REPRESENTATIVE FOR FURTHER INFORMATION ABOUT OUR ASSOCIATION. PLEASE MAKE CHECKS PAYABLE TO SECOLA. WE ALSO OFFER PAYPAL ON LINE.**

## Grant Committee Update

Work continued this summer on our current Rapid Response Grant of \$26,500 to identify Eurasian Watermilfoil (EWM) and develop an aquatic plant management plan for Middle Lake. The grant for North Lake was completed in 2019.

In June a "point intercept survey" was completed of the nine lakes. White Water Associates and volunteers Jay Weber and Carl Sundberg identified five sites having EWM in North Lake and Middle Lake. A total of 70.94 pounds of EWM was removed. The current grant for Middle Lake goes through June 30, 2022.

Additional volunteers would be appreciated next summer. If you would like to donate time identifying or diving please contact me at me at [gjohnson514@hotmail.com](mailto:gjohnson514@hotmail.com).

Glen Johnson, Grant Committee Chair

## LESSONS LEARNED

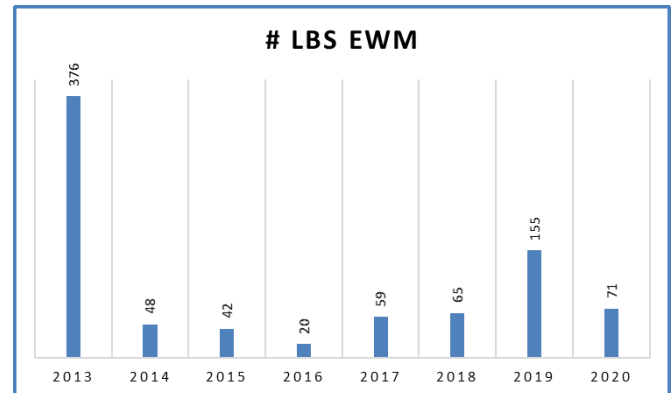

I caught my first bass when I was ten years old off the dock on a ball of bread, a hook, weight and old black line (20#), no pole. You just throw it out and pull it back in. Catching a 10" bass to go in the bucket with other bluegills seemed great. We have come a long way on equipment since then!

This summer, 70 years later, I was going out at dawn to fish and caught a nice largemouth bass which jumped and put a treble hook into my thumb. It was worse because the hook went in deep enough to bury the barb with the point coming out 3/8" further along the thumb. I hugged the bass to my chest and unhooked him with my right hand. After getting him into the live well, I tried again to remove the hook, but it hurt too much and bled a lot. The trolling motor was difficult to pull up with my right hand as it is designed to be done with the left. After getting it up, I motored home slowly and got out my wire cutters along with my long nose pliers. I awakened my live-in nurse of 57 years, wife Lois, at 6:15AM needing help. She carefully cut the hook and pulled it through the thumb. After washing, applying antibiotic and a band aid it was back to business on the water.

The lesson is, "be careful and have the right tools" and be nice to a nurse. TV fishermen grab fish by hand and unhook them without tools. This is fine with a single hook lure. I am a slow learner. One summer I had northerns jump and impale me three times-once with two hooks in at the same time requiring a trip to the ER. Now, for safety, I have a long-nosed plier with a long handle to reach down into the mouths of northerns. Grab the hook with the pliers and then grab the fish's head to remove the hook. Jaw spreaders are cheap and immensely helpful. A wire cutter may be expensive by comparison, but I have truly needed it 3 times and it can be extremely useful. Have a lot of fun on the water but be careful.

Carl Sundberg, Natural Resources Committee

## Invasive Species Report

In August, Scott Goodwin, Florence County Land Conservation technician and his team, did a "meander survey" using the aquatic drone which was partially funded by SECOLA. The team found no new invasive species sites. Reports showed that the oxygen and the salinity/nitrate levels in our waters were good and our lakes are considered healthy.

Jay Weber, Water Safety Chair

## Unlawful Boating Operations

It is illegal to:

- Operate a vessel at a distance from other vessels or at a speed that exceeds safe and reasonable limits given the waterway traffic, marked speed limits (wake/no wake), weather and other boating conditions.
- Operate a vessel repeatedly in a circuitous manner within 200 feet of another vessel or person in the water.
- Operate a vessel within 100 feet of the shoreline, any dock, raft, pier, or restricted area on any lake at greater than "slow, no wake speed".

Wisconsin regulations taken from *The Wisconsin Boating Laws & Responsibilities Handbook* that apply when vessels are on the water.

## 2020 Boat Parade: *Your Favorite Holiday!*

1st Place  
Oktoberfest

2nd Place  
Cinco de Mayo

3rd Place  
Halloween

Team Spirit Award  
Mardi Gras

## Next year's theme: *Your Favorite Musical Group*

We would like to again thank Carrie Koffman for brightening our day with her wonderful music on the lake while practicing "social distancing".

Photo by Larry Warren

### FANTASTIC FIREWORKS!

Thank you SECOLA members for your contributions!

We always enjoy starting this event with patriotic songs performed by Charlie Menghini. We are so blessed to have such talent on our lakes! Cost of the fireworks this year came to \$5,700.

There is always room for more!

We have included a custom Spread Eagle Chain of Lakes decal to thank all of you for your on-going support of our wonderful Spread Eagle Chain O'Lakes community. Because of your generous contributions, we will continue to keep our lakes clean and healthy for the next generations to come. We apologize in advance if we have accidentally missed your name. We are currently working on a new process to capture membership. If you have any questions about your membership status you may contact Katie Buchanan-Reynolds, Membership Committee Chair, @ ktbreynolds@gmail.com.

## Pictures from Yesteryears

This picture was taken in 1915 of my aunt, Ester Rahm and friends, in front of the Spread Eagle train station located at the intersection of US2 and old Hwy 69. The Chicago and North Western ran through this area at that time. As a young girl, probably late 40's early 50's, I can remember going to the station and you would have to flag down the train at Spread Eagle to stop and pick up lake residents heading back to Illinois.

Martha Rahm Johnson Nagel

*Editor: If you have any Spread Eagle history you would like to share please send to [debcini7@gmail.com](mailto:debcini7@gmail.com)*

## Bass Island News

The new basketball goal is being enjoyed by all!

Thank you to Ryan Steeno and Tom Wender for purchasing and installing it in July.

We appreciate all the lawn care and dock repair Chuck Hjerpe did over the summer as well as clean up after the fireworks with Scott Reynolds and Gary Weber.

Work continues on the Butterfly Garden under the guidance of Amy and Jay Weber with contributions from the Garden Club.

Please remember -*the island belongs to all of us and we want to always leave it better than we found it.*

## Annual SECOLA Meeting Highlights

July 18th via Zoom

- ◆ Treasurer Dana Colenso noted if members pay through Pay Pal, when you donate please look at each fund listed and add your donations separately to the cart. Doing this assures your money is put toward your dues as well as your chosen funds.
- ◆ The Natural Resources Committee stated the Wisconsin DNR stocked walleye this year. Carl Sundberg, Chair, noted there is ample funds in the Fish Fund so please consider donating to the Invasive Species Fund instead. He also encouraged people to keep a safe distance from the loons.
- ◆ Florence County Land Conservation Technician, Scott Goodwin, reported that as of July 18th Clean Boats/Clean Waters crew logged in 266 hours. The day/night of July 3rd, 93 boats were inspected.
- ◆ Invasive Species—please see data on Page 2.
- ◆ Invasive Species Funding—Katie Reynolds reported a total of \$16,000 was raised and 69 Yeti's distributed.
- ◆ Grant Committee—please see article on Page 2
- ◆ North Lake Road—Joe Buchanan reported that he communicated with the Tim Bomberg, Town of Florence, about the progress of North Lake Road. The county has secured the storm water permit from the DNR and work should begin after Labor Day.
- ◆ WE Energy Update—Phase 1 is completed and Phase 2 is 99% completed.

(Continue of page 8)

### The Book Club

The 2020 Book Club was a huge zoom success! Our club was up and going by July thanks to the expertise of Cindy Weber and SECOLA's funding for Zoom.

Not all our members were interested in attending by Zoom or able to access it, but for those who could attend, it provided a much needed social and intellectual stimulus to a challenging meeting. Many of us were so happy with this new format we may try to get together by Zoom for some winter sessions.

Respectfully submitted by  
Jane Patrick

### The Garden Club

Although our schedule was limited due to COVID, we did enjoy two wonderful outside venues this summer. Joyce Melin demonstrated how to make flower towers and Lynn Quillico (pictured below) helped members make beautiful dried flower arrangements. We are looking forward to next summer and are busy planning new events. Marla Peterson was nominated as co-chair of the Garden Club. We are looking forward to her energetic leadership!

### 2021 Book Club Schedule

DATE	TITLE	AUTHOR	HOST
June 16	The Dutch House	Ann Pachett	Martha Nagel
July 7	Caste	Isabel Wilkerson	Mary Anderson-Peat
July 21	Bold Spirit	Linda Lawrence Hunt	Ruth Blohm
August 11	Tattooist of Auschwitz	Heather Morris	Maria Caviani
August 25	Olive Again	Elizabeth Strout	Holly Wissing
September 8	The Giver of Stars	Jojo Moyes	Mary Lynn Painton

The SECOLA Book Club happily welcomes all new members to join. All of our meetings take place at the Florence County Library at 11:am. If you have any questions about this group please contact Jane Patrick (785) 478-1814

### Attitude of Gratitude

This year several of our committee chairpersons stepped down:

Grant Erickson (Building & Zoning), Marion Anderson-Peat (Past Vice-President & Public Relations), and Cathy Curran (Nomination).

We also thank:

- The Ski-ers for helping remove the dock from the channel Long Lake Channel.
- Jay Brown, Gary Weber and Jay Weber for removing the hazardous fallen tree from the channel.
- Jay and Gary Weber for putting in the buoys this spring Jay Brown and Gary Weber for removing the channel buoys for the winter.
- Katie Reynolds for updating SECOLA's webpage.
- Florence Volunteer Fireman for providing on-site service during the fireworks.
- Ed Patrick for all the boat parade photographs!
- Mike & Kathy Harvey for letting SECOLA use their boat landing to launch the SECOLA barge, Joe Plourde for storing and maintaining the barge and boat wash and Tim Bomberg, Town of Florence Board Chairperson, for filling the boat wash station with water as needed.

The SECOLA BOARD

(continued from page 6)

### Annual SECOLA Meeting Highlights

- ◆ Lake Safety: Jay Weber reminded boaters that they need to be familiar with the boating and personal watercrafts laws before operating either on the lake. Rules can be found on the DNR and SECOLA website. Please be aware of the channels that are NO WAKE channels.
- ◆ Wake Boat/Wake Safety: Scott Reynolds reported he has had several complaints about loud, vulgar music and significantly high wakes on shorelines, through the channels or close to other boats. Shore erosion is a big concern. A copy of the "Best Boating Practices" that the committee has written is available on the SECOLA website: [www.spreadeaglechain.org](http://www.spreadeaglechain.org)
- ◆ Open Forum: An issue was brought up about the vandalism on the South Lake Bridge where someone wrote graffiti. Graffiti was also found on the small bridge going into East Lake. If you have any information on who committed the crime please contact the Florence County Sheriff's Department.

Report submitted by Cindy Weber, Secretary

Just too cute!

(continued from page 1)

2020.....

With the new year we would like to thank several volunteers who, after many years making SECOLA work so efficiently, are taking a well deserved break from their duties. Joan Weber has served as Secretary for the past six years. Her happy countenance and concise notes will be missed at our Board meetings. Jennifer Kellstrom, our venerable Membership Chair for the past 10 years, will be stepping aside as well. She has managed the beast of the Membership Committee that includes members with multiple addresses, family members as additional members, changing communications from snail-mail to email, checks that are paid in person, through the mail, by credit card, and, now via PayPal, all while assisting keeping the records of our members up to date and giving good clean reports to the Board on where we stand. Joan and Jennifer, we stand in debt to your service. Thanks also to longtime board members and volunteers, Grant Erickson, Marion Peat-Anderson and Catherine Curran. Your service and continued dedication to SECOLA has made us better in many ways.

Finally, I can't begin to thank Gary Weber, our immediate Past Chairman, enough for all he has done during the last two years. Supported by a cadre of dedicated volunteers, Gary has continued to respond to the tasks at hand with an even hand and hard work. Thanks for your guidance as I move in behind you, as I know you had that same help from others who have served.

For those year-round residents, enjoy the gorgeous Fall, the quiet solitude of Winter, and keep the home fires burning until the rest of us return in the spring...and Stay Safe!!

Scott Reynolds  
SECOLA Chairman
